

Office for Life Sciences Bulletin – 12 February 2021

The Office for Life Sciences (OLS) is a joint unit between the Department of Health & Social Care (DHSC) and Department for Business, Energy & Industrial Strategy (BEIS).

This bulletin aims to keep the life sciences sector up to date on the latest guidance and during the Coronavirus (COVID-19) outbreak, providing you with information from Government to help your members and networks prepare.

If you would like to be added to the distribution list, please email <u>nita.bhanot@beis.gov.uk</u>

For any questions on the UK/EU Trade and Cooperation Agreement, please contact <u>euexit@officeforlifesciences.gov.uk</u>

NEW – The Government has announced a new £20 million SME Brexit Support Fund. This offers support to help small businesses adjust to new customs procedures, rules of origin, and VAT rules when trading with the EU.

The SME Brexit Support Fund could give you up to £2,000 if your business has up to 500 employees, and no more than £100 million annual turnover.

SMEs who trade only with the EU, and are therefore new to importing and exporting processes, can apply for grants of up to £2,000, to pay for practical support including training and professional advice to ensure they can continue trading effectively with the EU.

For more information on the SME Brexit Support Fund, click here.

For full guidance on how you can use the grant, who can apply and how to apply, click here.

NEW – The Medicines and Healthcare products Regulatory Agency will operate a 150-day assessment route for high-quality marketing authorisation applications (MAAs) containing new active substances. For more information, click <u>here</u>.

NEW – The MHRA has updated the list of medical devices given exceptional use authorisations and the list of devices no longer covered. For more information, click <u>here</u>.

UPDATED – The list of trade agreements the UK has concluded that are in effect, and the progress of our discussion with other countries, has been updated. The list now shows Albania as 'signed but not in effect', and updates to the St. Kitts and Nevis entry, as they have now ratified the CARIFORUM agreement. For more information, click <u>here</u>.

NEW – Guidance on Inland Border Facilities (IBF) has been added, making it clear what documentation is required at sites; which sites are available across the country; as well as encouragement to utilise alternative sites to Waterbrook. In addition, HMRC have included information on site specific guidance on the functions available at each site. Further information can be found <u>here</u>.

NEW – There are new restrictions on food and drink that you can take in your personal baggage into the EU. Drivers travelling to the EU should be aware of additional restrictions to personal imports. If you are carrying prohibited items in your luggage, vehicle or person, you need to use, consume, or dispose of them at or before the border. More information can be found <u>here</u>.

UPDATED – Guidance about the VAT treatment of transactions of movements of goods, which span the end of the transition period, has been updated with information about goods in a warehousing regime. For more information, click <u>here</u>.

UPDATED – The list of agents and operators who can help submit customs declarations has been updated. For more information, click <u>here</u>.

UPDATED – Guidance has been updated with information about the use of Customs Handling of Import and Export Freight (CHIEF) for declaring goods into or out of Northern Ireland. For more information, click <u>here</u>.

UPDATED – An updated version of the Register of Written Confirmation for UK active substance manufacturers is now available. For more information, click <u>here</u>.
