BioAI Summit 2025

TUESDAY 20TH MAY 2025
ALDERLEY PARK, MACCLESFIELD

Introducing the BioAI Summit, a BRAND-NEW Bionow event that explores the dynamic relationship between artificial intelligence and life sciences.

As AI technologies continue to evolve, their integration into the life sciences sector is paving the way for innovations that were once thought impossible. From accelerating drug discovery to revolutionizing diagnostics and transforming personalised medicine, AI is unlocking new frontiers in biotech and healthcare.

Over the course of the BioAI Summit, participants will engage with expert panels, presentations, and insightful case studies that highlight the transformative impact of AI in life sciences.
