

2025 Oncology Conferences – Call for Posters

Submit your abstract for the 2025 Oncology Conference by [Wednesday 12th November 2025](#).

Authors are invited to submit an abstract to showcase new developments, ongoing research projects and speculative or innovative work in progress relating to the study of cancer. Selected abstracts will be displayed as posters at the conference, providing opportunities for authors to highlight their research findings, build new connections, and promote engaging discussions with other attendees during the breaks.

About the 2025 Oncology Conference

 **When:** Thursday 27th November 2025

 **Venue:** Alderley Park, Congleton Road, Macclesfield SK10 4TG

This conference will explore the landscape in discovery, development, clinical, and manufacture of cancer medicines, featuring keynote talks, panel discussions, exhibitions, poster presentations, and valuable networking opportunities. We will hear from experts, organisations and patient perspectives.

Guidelines for Poster Submissions

Poster boards will be provided to display the selected abstracts to delegates throughout the conference in the main conference hall. The posters are intended to provide authors and participants with a greater understanding of the subject matter and to engage in discussions about the work. Interested authors will also have the opportunity to present their posters on stage during a Poster Spotlight session.

 **Abstract submission deadline:** by Wednesday 12th November

Authors must submit an abstract of no more than 300 words in English outlining aims, objectives, methodology and conclusions to clara.borg@bionow.co.uk **The poster must be prepared in A0 size (841 x 1189mm) in portrait format.**

Please note accepted authors must register and pay the delegate fee to attend the conference.
